EVERYDAY I'M SHUFFLIN'

From November until February, our rooftop terrace turns into our very own winter terrace. Because we couldn't choose between all the cool activities we have done in the past, we decided to combine two of the best this year.

Following the credo Everyday I'm shufflin' we would like to make the traditional Dutch sport "sjoelen" and curling cool again! We have created an exciting shuffleboard and obstacle course as well as a 10m long curling track on our 85m high Rooftop Terrace with a unique view of Amsterdam.

Challenge your colleagues and add some excitement at the end of a long meeting or organize a unique team outing. Or why not organize an end of year party combined with a dinner in Floor17 & live entertainment and create a "sky high experience".
